

MOUNT TOLMIE COMMUNITY ASSOCIATION

OCTOBER 2013 E-BULLETIN

DEAR COMMUNITY MEMBERS,

Hoping you each have had a wonderful summer. It's hard to believe that fall is now here. We are lucky though to live in a beautiful climate and can still enjoy our parks and hikes up Mt. Tolmie. We've had several visitors who have enjoyed looking at the view from there and also the directional marker.

The MTCA executive have been busy since the AGM and continuing to volunteer to make your community a better place. Thanks to all those who attended the Community Celebration on Sept. 14. Photos will be on the website soon.

In the meantime, I hope you are enjoying the path and the new businesses that are now in the Shelbourne Village Square. This bulletin is to bring you up to date on a few important dates and project and I encourage you to check the links to regular items when you have a moment to do so.

Shelbourne Corridor Action Plan: Open House dates and locations are listed below. These Open Houses are an opportunity for the public to review the draft Plan. A survey along with a virtual Open House will be available online Oct. 29 until the end of November. Please attend one if you are able to and forward to neighbours and colleagues who might be also interested in the plan. <http://saanich.ca/business/actionplan/shelbourne.html>
