

## **GREETINGS COMMUNITY MEMBERS,**

Spring is in the air and more people are walking, riding bikes, gardening, enjoying our parks, and connecting or re-connecting with neighbours. Enjoying our beautiful community!

The MTCA's goal is to have a safe, healthy and vibrant community. And to do this, the volunteer board works with the Municipality of Saanich, property management companies, land owners, community groups and residents to make this happen. As we approach our AGM in a few weeks I would like to personally thank the board volunteers for their commitment and hours they put in attending meetings and so much more.

We continue to communicate mainly through the two community boards and through email. I would like encourage you to please post this bulletin in your business and in any apartment or condominium bulletin board. We appreciate your assistance with our community outreach. For those of you who are interested in obtaining a membership, volunteering, or are planning on rezoning or other types of extensive changes to your home or property, please refer to the website for further information: [mtca.ca](http://mtca.ca)
