

## **HAPPY NEW YEAR,**

The MTCA board had a productive 2015 and is looking forward to a new year, new initiatives and building momentum in our community.

We hope that you and your families take part in various community happenings whether through Saanich recreation programs, Emergency Preparedness workshops, attend open houses or enjoying our great parks. We live in a great community and although will see growth and change in the year to come, we hope that it will all be positive. Everyone can be a part of it as we continue to engage with other non-profit groups, churches, students, businesses and residential home owners. I encourage you to take a few minutes to have a look at our website to learn more and to keep up to date on happenings in your community. Please see below for other important announcements.

Wishing you a wonderful early spring and family day on Feb. 8.

**Warm regards,**

*Marlene*
